

## Dolphin Fintastic Experience

**Code DSPT**

Swim and interact with dolphins in the most entertaining program that exists, in a clean, controlled environment, and in the safest facilities. First, the trainer gives a brief orientation, where you learn how to interact with dolphins in a safe and very fun way. Then you perform several interactive behaviors such as greeting the dolphin by hand / fin, petting him, hugging him, receiving a kiss from him and giving him a kiss back.
