

Dolphin Friendly Encounter

Code DIPF

Ideal for children and families. This wonderful program, carried out in shallow waters, begins with an induction into the extraordinary world of dolphins, where the trainer teaches you how to enjoy to the maximum interacting with them and explains the main characteristics of this amazing species. Observe various dolphin behaviors, such as jumping, somersaults, pirouettes, and the emission of whistles and clicks, a peculiar characteristic of this animal. Afterwards, you perform several interactions with the dolphin, such as greeting him by hand / fin, pet him, hugging him and giving him a kiss on his trunk, and receiving a kiss back on your cheek.

 **Includes:** 40 min. interactive swimming with a dolphin.

 **Doesn't include:** Transportation, locker, towel.

 **Recommended:** Biodegradable sunscreen, swimsuit, a change of clothes, extra cash for photographs, video, photo, and locker rental.

 **Observations:** Children under 3 years of age accompanied by a paying adult. Children with a height of 1.22 m or more participate in this program without the need of an adult.

 **Health restrictions:** Pregnant women cannot participate in the activity, and people with heart and/or back conditions cannot participate.

Mon to Sun 10:00 hrs - 17:00 hrs
