

Garrafón Special Isla Mujeres

Code IMEC

Enjoy an unparalleled aquatic adventure to discover the incredible marine life, participating in three snorkeling sessions in different reefs of the Puerto Morelos National Park, the largest coral barrier reef in America. Discover the underwater world, inhabited by beautiful multicolored fish and spectacular reef formations and learn about local biodiversity, thanks to the explanations of our specialized guides. Rest in the charming beach club, while admiring the turquoise tones of the Caribbean Sea and enjoy a delicious traditional buffet and open bar.

Includes: Snorkel equipment, guided tour to three reefs, open bar (soft drinks) during the activity, buffet for lunch and national alcoholic drinks during the lunch.

Doesn't include: Transportation, zip-line, temazcal, VIP lounge, souvenirs, photographs or towel.

Recommended: Swimsuit already on, towel, light clothes, additional T-shirt, biodegradable sunscreen, and extra cash.

Observations: Children 6 years and older. A preservation fee bracelet of the National Park must be paid as well as boat fees (USD\$5); participation of persons who are under the influence of alcohol or a toxic substance are not allowed to participate.

Health restrictions: This tour is not suitable for disabled persons, for persons with heart, respiratory or back conditions and it is not recommended for pregnant women.

Mon to Sun 9:40 hrs - 18:00 hrs

Estimated duration: 8:30 hrs.

Highway Federal Chetumal-Puerto Juarez, km 287, Lote 13 Sur, Ejido Sur, Playa del Carmen, Q. Roo.
